

Mega Ballcanon Pirateship Bouncy Castle

Aim... and shoot!

Deliver the experience numerous kids will remember! This mega pirate shooter is a unique product, completely designed by our own team. The cannons are operated by the air pressure of the bouncy castle itself, a unique patented system. The mega pirate shooter has a fun look and feel because it is completely designed around a pirate theme. The bouncy castle is completed with a variety of targets and it allows for jumping as well as playing. As an additional feature, kids can slide down from the mast. In other words, hours of fun and games for everyone!

Set it up yourself within 15 minutes

Easily set up the mega pirate shooter within 15 minutes, for instance during an event or party. The mega pirate shooter is supplied in one single part, which makes it easy to transport. The inflatable attraction comes with blowers, anchoring materials, a transport bag and a clear manual are conveniently included. The complete package for a wonderful experience.

Always a 5-year warranty

We believe in the premium quality of inflatables by JB. Therefore, we provide a 5-year warranty for the mega pirate shooter, because it is made of strong, high-quality PVC, has several reinforced tension points and is multiply stitched. It is easy to keep clean and it is guaranteed durable. This allows you to offer a product with years of optimum playing fun.

Purchase this unique mega pirate shooter and deliver the experience your customers will remember as the day of their lives!
