

Belly slide Jungle 16m

The ultimate summer top attraction

Honestly! What is more fun then playing with water when it is warm outside? During summer months this attraction will leave a lasting impression. This belly slide with a jungle theme allows for non-stop sliding because the run constantly retains it pressure. Even with two people using it at the same time, because the track is extra wide and no less than 16-metre-long. Attach garden hose, take a long run-up... and slide!

Use soap for extra sliding fun

Simply set it up within 15 minutes, for instance during a hexathlon, event or sports day. A proper and continuous flow of water in particular is very important for a belly slide. A tip is to use soap, this makes sliding even faster. For this belly slide with a jungle theme we have used removable material to ensure less water can penetrate. It also has a positive impact on the durability of the run. This 16-metre-long inflatable course with a jungle theme is easy to transport because of its compact, rolled-up format. The inflatable attraction is conveniently supplied including blowers, anchoring material, a transport bag and a clear manual. The complete package for a wonderful experience.

Years of optimum playing fun

JB inflatables have several reinforced tension points, are multiply stitched and are made of strong, high-quality PVC, which makes them durable and easy to clean. This course comes with a 5-year warranty, which allows you to offer a product with years of optimum playing fun.

Purchase this unique belly slide and deliver the experience your customers will remember as the day of their lives!
