Modular Obstacle Course Surf - Jump Platform

Create your unique modular storm course with the Surf Jump Platform

Are you in search of the perfect addition to your storm course? Climb, scramble, and surf over this amazing Jump Platform! Excitement guaranteed; once you conquer the climbing element, you'll free-fall down and land safely on the airbag. The Modular Storm Course Surf - Jump Platform consists of a single part that easily connects to any storm course bouncy castle and other storm course parts from JB. A challenge suitable for all ages!

Easily Order Obstacle Course Parts Online

With an additional part on an inflatable storm course, you can create a unique obstacle course in no time. The more elements, the longer the storm course. You can expand the parts on, among others, the 13.5 and 19m storm courses. By merging and combining with a JB storm course, you create your unique inflatable obstacle course. All storm course elements are delivered complete with a blower. Made from high-quality PVC material, it's easy to clean and suitable for many users. That way, you'll have years of fun with your storm course bouncy castle!
