

Modular Obstacle Course Marble - Pole Dodger

Create Your Unique Modular Obstacle Course with the Marble Pole Dodger

Embark on an adventure in the marble-themed pillar course! The Pole Dodger is an obstacle course element packed with challenges; the track is filled with pillars and exhilarating sections. In this segment, you'll navigate your way to the exit... or perhaps to the next obstacle? The more elements you add, the longer the obstacle course becomes. The Modular Marble Obstacle Course - Pole Dodger consists of a single unit easily connectable to any obstacle course, inflatable or other obstacle course components from JB. An exciting challenge suitable for all ages!

Easily Order Obstacle Course Parts Online

By adding an extra component to an inflatable obstacle course, you effortlessly create a unique obstacle course. The more elements you incorporate, the longer the obstacle course becomes. You can expand these parts onto, among others, the 13.5m and 19m obstacle courses. By merging and combining with a JB obstacle course, you craft your unique inflatable obstacle course. All obstacle course elements are delivered complete with a blower. Made of high-quality PVC material, it's easy to keep clean and suitable for extensive use. Enjoy years of fun with your inflatable obstacle course!
