

# Whack a Mole HIT edition

*The IPS game is used with 1 IPS system that includes 10 lamps, plus 3 additional lamps. (sold separately)*

## A true classic with an interactive twist!

The popular Whack-a-mole is now also available with IPS. Two teams compete for the highest score. As a 'mole' you aim for the HIT targets whenever you can, but be careful not to be whacked over the head with the inflatable hammer of the player standing in the middle! Points are scored for every target hit, but you are 'out' if you are hit with the hammer. The scoreboard keeps track of the team scores. An exciting game for keen players!

## Fully set up within 10 minutes

Easily set up the Whack-a-mole within 10 minutes, for instance during a sports day, event or party. This inflatable can easily be transported because of its compact rolled-up format. It goes without saying you can also purchase the IPS system from us to fully complete the experience!
