

Interactive corner

The IPS game is used with 1 IPS system that includes 10 lamps. (sold separately)

An interactive game!

Are your customers competitive? If so, this interactive corner is the one to go for! Two players compete against each other by pressing the spots the moment they light up in their colour. The scoreboard automatically keeps track of scores. This inflatable is part of the special interactive product line which is specifically designed to be used with interactive play systems. A super fun game for young and old alike!

Perfect in combinations and easy to set up

This interactive corner easily sets up within 10 minutes. It can perfectly be combined with the IPS system and is ideal for use during parties, sports activities or events. An additional advantage is the fact that the interactive corner is airtight! The inflatable attraction comes as a single unit to allow for easy transport. The inflatable is conveniently supplied including a blower, anchoring materials, a transport bag and a clear manual. It goes without saying you can also purchase the IPS system from us to fully complete the experience!

Strong, high quality and easy to keep clean

All JB inflatables have several reinforced tension points, are multiply stitched and are made of strong, high-quality PVC. This quality guarantees the interactive corner is durable and easy to keep clean. The item comes with a 1-year warranty. Optimum playing fun guaranteed! Purchase this unique interactive corner and deliver the experience your customers will remember as the day of their lives!
