

Aqua Run Mega 15m

Swing and sway across the water

The Water Obstacle Run is 15 metre long and packed with challenging obstacles and great details. This spectacular obstacle course has two climbing walls, a balancing beam, a frame to sway on and a slide. Race and beat the clock, or use it for 2 opponents competing against each other. An extremely exciting game on water. Enjoyment guaranteed!

Certified water games

We ensure that our water attractions can safely be used by everyone. Products manufactured by JB are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. To ensure the right air pressure is entered, all products come with a Bravo air pressure gauge. In addition, we supply an approved inspection certificate, a blower, log book and a clear manual, so you have everything you need in a complete package for a fantastic experience. It goes without saying that each attraction comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the Water Obstacle Run stays in place. It goes without saying safety is a priority.

We set high quality demands

In order to guarantee the quality of the products we offer, we use high frequency welded PVC material of 900 gr/m². The material has a protective coating that is resistant to influences of chlorine and other water properties. Moreover, the Water Obstacle Run is easy to clean and durable in use. We provide a warranty of 1 year for this attraction.

Purchase the Water Obstacle Run and deliver the experience people visiting your swimming pool will remember as a splashing day of water fun!
