

Double Hawaii Run XL

A double lane pool obstacle course in an XL version

A no expense spared unique experience? We will gladly help! This Double Hawaii Run XL offers 16 metres of playing fun with a variety of exiting objects in which the balance of players is put to the test. Why not make it a competition? This obstacle course is double lane, which makes it a perfect attraction to have two players start at the same time. It can accommodate many children in a relatively short space of time - a run with a high throughput! Can you picture those smiling faces? So can we!

Safety as well as convenience

For years, JB has developed and manufactured attractions that can safely be used by any player. All water games we offer are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. All water games come with an approved inspection certificate, a blower, a Bravo air pressure gauge, a log book and a clear manual. It goes without saying that each attraction comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the attraction stays in place. We have thought of everything to make it as easy as possible for you.

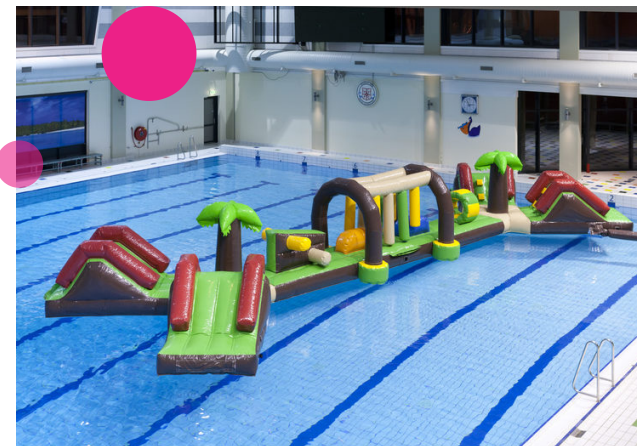

Benefit from our high quality demands

JB uses high frequency welded PVC material of 900 gr/m2 in order to guarantee the quality of the products we offer. The PVC material has a protective coating that is resistant to the influences of chlorine and other water properties. This ensures the products are both durable and easy to keep clean. This XL obstacle course comes with a 1-year warranty.

Purchase the 16 metre long Double Hawaii Run XL and deliver an experience your pool guests will remember as a great day!
