Race track standard

3, 2, 1 Start!

Who will be the first to finish or make the fastest lap?
With this race track you let your customers race against each other by means of, for example, mini bikes or go-karts. The racetrack is available in three different sizes and has arches to race underneath!

Easy to set up

Easily set up the race track within 10 minutes. For example, during a hexathlon, sports activity or an event. The race track is delivered as a single unit and is therefore easy to transport. We supply this inflatable with blower, anchoring material, transport bag and a clear manual. With that you have everything for a great experience.

Choose for quality and warranty

Our JB inflatables are reinforced at several points and stitched multiple times. They are, of course, made of strong, high quality PVC. You can therefore rely on durable and easy to clean material. You will receive the race track with a 5-year warranty. With this product you choose for years of optimal playing fun. Buy this unique race track and give your customers an experience of their lives!
