

Limbo Game

Limber up: how low can you go?

A hilarious, unique and essential part of a hexathlon or other games programme. Whether it's a children's party, a village or neighbourhood get together, a meeting or an event to inspire a company team to work (more) closely together: this limbo dance game with a unique JB-Inflatables touch is included in the collection. Anyone can participate in this game, but it goes without saying the player who is limber enough to bend backwards and pass under the inflatable bar that is gradually lowered a notch, is the winner.

Easy to set up limbo game

This wonderful addition to everyone's hexathlon collection is quick and easy to set up, even if the one organising the game has to do it alone. It goes without saying JB supplies the complete package, which means that conveniently included with this limbo game are: a transport bag, fastening and mounting materials and a blower to inflate this item.

Premium quality by JB and a 5-year warranty to boot

All items by JB have several reinforced tension points and are multiply stitched, which means this cheerful limbo dance game is no exception! It is made of strong, high-quality PVC to ensure the game is durable and easy to keep clean. In addition, we provide a 5-year warranty and a repair service for all hexathlon items in our extensive collection.

Purchase this limbo game, which will surely deliver many a fun moment. It will undoubtedly deliver the experience your customers will remember as a hilarious day of fun.
