

Ball Pit Dolphin Bouncy Castle

Give little ones the day of their lives!

Just like a regular bouncy castle, an inflatable ball pond available in a seaworld theme is a success among little ones! The inflatable ball pond has a 3D object on its roof and the walls are completed with fun images matching the theme. This seaworld-themed inflatable ball pond sits on an inflatable base, which also makes it suitable for use as a bouncy castle for younger children.

This ball pond easily sets up within 10 minutes. For instance during a kids' party or neighbourhood get-together. Because this seaworld-themed ball pond comes as one compact part (single compact unit), it is easy to transport.
