

Aqua Run Flamingo 12m

Bring summer fun to your pool!

You immediately get a wonderful summer feeling from this cool water obstacle course, right? The flamingos, pineapple with sunglasses, the beach balls and the cheerful colors create a tropical atmosphere. Children can run, climb, slide and overcome obstacles on this 12-meter water obstacle course. A must-have for every swimming pool!

Safety is our top priority

For years, JB has been designing and producing unique inflatable attractions that are safe to use, because for us safety always comes first. That is why we support the inflatable with safety certificate (NEN-EN 15649: 2009), blower, logbook and a clear manual. Of course, every water game also has anchoring points, to which anchoring material must be attached so that the object remains in place. Everything ready for a great experience.

JB stands for top quality

Our products are made from strong, high-frequency welded 900 grams / m² PVC. In this way we guarantee the quality of our products. In addition, the material has a protective layer that is resistant to chlorine and influences of open water. This way you get a sustainable product that you will enjoy for many years to come. You get a one-year warranty on the Flamingo Run.

Buy this amazing swimming pool obstacle course in flamingo theme and give your pool visitors a great day!

Unique inflatable attractions in a grand way

Do you know why JB has been making people worldwide jump for joy for more than 15 years? Because our professional team of designers, developers and logistics staff delivers unique inflatable attractions in a grand way! Customers are therefore assured of our professional service and delivery. That's why they call us "creators of greatness."
