

Zap-a-Mole

The IPS game is used with 1 IPS system that includes 10 lamps. (sold separately)

The classic arcade game, but interactive and airtight!

The classic "mole" arcade game has been revived with Interactive Playsystems! Try to hit the moles as often as possible, collect points and defeat your opponent. The best feature about this version is that it's airtight. This means that you can place the Zap a Mole anywhere, because it only has to be blown up once before use and doesn't have to be connected to a blower all the time.

Choose your theme

The classic Moles sheet will be delivered with your purchase. But you can also choose to change the theme of the Zap a Mole by buying separate sheets. Choose from the following themes: Jungle: 17.0131 Party: 17.0132 Easter: 17.0130 Pirates: 17.0133 Seaworld: 17.0134 Unicorn: 17.0135 Winter: 17.0136

Easy to transport and set up within 10 minutes

Easily set up the Zap a Mole within 10 minutes. It is perfect for use at parties, company outings and events. The Zap a Mole is compactly packaged as a single unit. This makes the inflatable easy to transport. If you don't own an Interactive playsystem yet, discuss the possibilities with your account manager and purchase it directly from the manufacturer - JB- Inflatables.

Top quality and easy to keep clean

JB air-tight products are welded and extra reinforced. The strong, high quality PVC is easy to keep clean. This durable inflatable comes with a 1 year warranty.
