

Octopus playground Bouncy Castle

Deliver the kids a day to remember

This inflatable play island shaped like an octopus offers no less than six play options and guarantees hours of great playing fun for the kids! Children can play and climb on parts that include a climbing hill, a crawl tunnel and much more. This inflatable play island octopus attracts people from far and wide with its bright colours and large distinctive octopus in the middle of the attraction. This octopus connects all separate parts and its tentacles are conveniently used as air supply. In short, a true eye-catcher guaranteeing hours and hours of playing fun!

It takes only 15 minutes to set up

The inflatable octopus playing island can easily be set up within 15 minutes, for instance during events, parties of sports activities. We supply the inflatable octopus play island in one part, which makes it easy to transport. It goes without saying we conveniently offer the inflatable attraction with a blower, anchoring materials, transport bag and a clear manual included. We deliver the complete package for a wonderful experience.

Durable and easy to clean

Because we believe in the durability of JB inflatables, we offer a 5-year warranty. The strong, high-quality and colourfast 9x9 thread PVC has several reinforced tension points and is multiply stitched, which means they are easy to keep clean. You can rest assured that you will offer a product with years of optimum playing fun.

Purchase this unique play island octopus and deliver the experience your customers will remember as the day of their lives!

Opt for JB, like more than 15,000 customers have done before you
