

Mega Climbing Tower

Wow! Do you dare to climb this spectacular inflatable attraction? It is the eye-catcher for any occasion. Only the real daredevils dare to make their way to the top of the inflatable climb tower. Using climbing steps, you climb with the help of a zip-line to a beautiful view at 10 meters height. It's not dangerous, but extremal and certainly challenging! The mega climbing tower attracts people from far and is sure to make your event really unforgettable. Who wouldn't want such a cool inflatable climbing wall? Everyone does! In order to use this Mega climbing tower, you'll need a TRUBLUE-Auto Belay for 4 people. This is a fuse with magnetic braking technology that ensures your safety. The TRUBLUE-Auto Belay is sold separately.

Buy an Inflatable Climb Tower at JB

Want to purchase your own custom-made inflatable climbing wall? We are ready to offer one to you! The designers at JB Inflatables will create one for you. Buy an inflatable climbing wall like this one or order one of the other extreme inflatables from JB.
