

Skydancer Full Colour 8m

A cheerful eye-catcher for any occasion: that's the full colour skydancer. This swinging friend comes in two heights: 6 meters and 8 meters. You can get the skydancer in all colours of the rainbow and even have your own logo or corporate identity printed on it. How cool is that?

A skydancer full colour is the ideal way to draw attention to your project, event, party or any gathering. Are you opening the doors of your own store? Place one or two skydancers at the door and people will immediately know where they need to be. Do you want your booth to stand out in a large exhibition hall? Our skydancers will help you. Are you hoping for a large turnout at an open day? Leave it to the air dancers of JB!

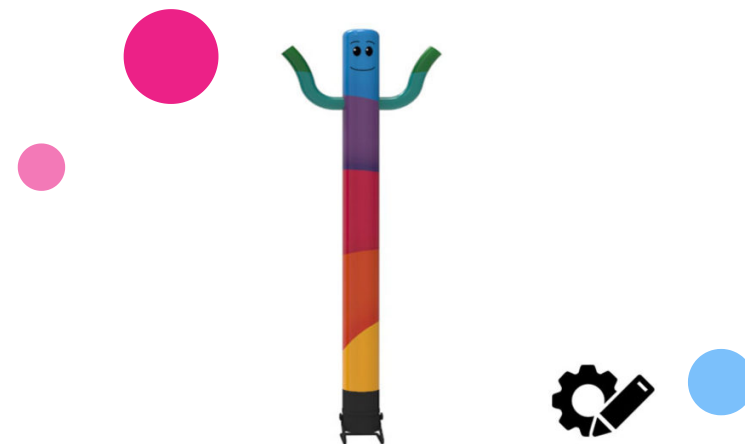

Please note: This is a custom product. We will contact you so we can discuss your needs and create a beautiful design for you.
