

Battle Obstacle Set Army Green (6 pieces)

This Battle obstacle set in army green is a set of 6 inflatable obstacles that you can use when you play a shooting game. For example, if you shoot with a nerf gun, with laser beams, or with a bow and arrow. These inflatable paintball obstacles make the battle even more challenging because you can hide behind them perfectly. They can be used in an inflatable paintball bunker, laser tag arena, archery arena, or our archery boarding. But of course, you can also use them in an archery game, where you shoot at each other with a special bow and arrow. Fun to play a game in an inflatable bunker. You can order this professional Battle obstacle set in army green at JB Inflatables.
