

Interactive boarding

An interactive game!

Two teams or several persons play against each other by pressing the spots the moment they light up in their colour. The scoreboard automatically keeps track of scores. This inflatable is part of the special interactive product line, because this interactive boarding is specifically designed to be used with interactive play systems. A super fun game for young and old alike!

Perfect in combinations and easy to set up

The interactive boarding easily sets up within 10 minutes. The item can perfectly be combined with the IPS system and is ideal for use during parties, sports activities or events. The item comes as a single unit to allow for easy transport. The inflatable is conveniently supplied including a blower, anchoring materials, a transport bag and a clear manual. It goes without saying you can also purchase the IPS system from us to fully complete the experience!

Strong, high quality and easy to keep clean

All JB inflatables have several reinforced tension points, are multiply stitched and are made of strong, high-quality PVC. This quality guarantees the interactive boarding is durable and easy to keep clean. That is why we provide a 1-year warranty for this inflatable. Optimum playing fun guaranteed! Purchase this unique interactive boarding and deliver the experience your customers will remember as the day of their lives!
