

Bicycle Kick Arena

Have the time of your life with this spectacular game!

The overhead kick arena is the place to just have fun and play! This attraction allows you to practise your overhead kick; a truly spectacular game. The ball can be suspended from the top of the attraction with an adjustable cord. Players are to score a goal by using an overhead kick. The game is suitable for young and old, large and small, because the length of the cord can be adjusted. In addition to using it as an overhead kick arena, the game can also be used as a shooter. The back wall is completed with a material that has a variety of targets attached to it. Each target will earn you a certain number of points. Will you get the highest score?

Perfect for use during events and easy to set up

The overhead kick arena easily sets up within 15 minutes, for instance during events, a hexathlon or sports activity. The item comes as a single unit, which makes it easy to transport. This overhead kick arena is conveniently supplied including a blower, anchoring materials, transport bag and a clear manual. Everything in a complete package for a wonderful experience!

Strong, high quality and a 5-year warranty to boot
