

Super ball 1,5m blue/red

Giant balls for a variety of purposes

Another regular part of a hexathlon (or other games event): super balls. It goes without saying they are included in the JB-Inflatables product range! These giant balls (standing an impressive 1.5 to 2 metres tall) are suitable for a variety of purposes. You can use them to roll with (for instance to knock over pins, or in a team effort, roll it along a course with or without obstacles), to play football with, or to climb on top of. You can even use them to stand on while navigating it along a track. It goes to show: these big balls are multi-purpose. Success guaranteed as part of your hexathlon equipment. So, be sure to show your customer these balls for kid's parties, teambuilding activities or either neighbourhood or village parties!

Ready to use within a minute: roll away!

These Super Balls (available in a variety of colours) are ready to use in next to no time. It goes without saying JB supplies the complete package, so the balls come with a hand pump conveniently included to inflate them quickly. We also provide you with a transport bag, so they can effortlessly be moved from one place to another.

Premium quality with a 5-year warranty

All inflatable products by JB have several reinforced tension points and seams. These super-size balls are no exception and because they are made of thick (0.85 mm) PVC material, they are durable as well as easy to keep clean. In addition, we provide a 5-year warranty and a repair service for all products in our extensive collection.

Purchase these giant and cheerfully coloured balls and deliver the experience your customers will remember as a successful and festive occasion!
