

IPS Gel Ball Arena

Arena for interactive shooting game

This IPS Gel Ball Arena is perfect for when you play an interactive shooting game. With an IPS system, you can shoot at each other with gel guns: guns filled with gel balls. You wear a special IPS vest with an interactive spot. When you have a direct hit, it will light up. In this special IPS arena, you can fully enjoy yourself when you play an interactive game against each other. Hide behind the obstacles and try to dodge your opponent...and counterattack!

This inflatable IPS arena can be set up in no time

Of course, you want to compete with each other as soon as possible with the IPS Gel Balls. That is why it is so super convenient that this inflatable IPS arena can be set up in no time. You'll have it up in about 10 minutes, so you can quickly start the battle. Ideal right? Everything you need is included: a manual, anchoring material, a blower and a transport bag. Place this inflatable arena wherever you want and let the battle begin. Super fun and super exciting!
