

Rainbow 9x6m

Colors all around with JB's rainbow

Kids' party, grand opening, Gay Pride... Just a few, very varied, occasions in which you may be called upon to deliver a rainbow. You're in luck, because this rainbow measuring 9 x 6 meters (the middle size in the JB standard rainbow collection) allows you to offer your customer an arch to suit the occasion. This middle size (we also have one smaller measuring 4 x 6 meters, and a giant size of 8 x 15 meters available) is an essential item to have in your collection! Because you never know when your customer is looking for a rainbow, for instance for a grand opening event!

10 minutes, that's all it takes to set it up

Setting up this big boy (on the lawn, drive, company or sports club car park) only takes 10 minutes. We include a clear user manual for your convenience, so that should not really be a problem. The blower, transport bag and anchoring material are also conveniently included.

Premium quality. For that reason: a 2-year warranty
