

Aqua Run with slide Whale 7m

An inviting water obstacle course for great fun and games

Yes! This fun pool obstacle course definitely is inviting. Inflate this Whale run with slide in your pool and you will be surrounded by kids who cannot wait to jump in the water. The 3D obstacles, the matching Whale theme and the slide allow for lots of fun. Go on! Invite your customers to a fun-filled day of splatter and spatter!

Play without danger

For years, JB has developed and manufactured attractions that can safely be used by any player. All water games we offer are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. We provide an approved inspection certificate, a blower, a log book and a clear manual for every attraction. It goes without saying each attraction comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure it stays in place. You will see: we have thought of everything.

JB's high quality requirements

We use high frequency welded PVC material of 900 gr/m2 in order to guarantee the quality of the products we offer. The material has a useful protective coating that is resistant to influences of chlorine and other water properties to ensure the products are both durable and easy to keep clean. The Whale Run with Slide comes with a 1-year warranty.

Purchase the Whale obstacle course with slide and deliver the experience people visiting your pool will remember as a splashing day of water fun!

JB has provided services for more than 15,000 customers around the world

For well over 15 years, JB has made people jump for joy. More often than not literally! All of this is thanks to our team of designers, developers and logistic staff, who make it all possible. Time and time again, they supply unique inflatable attractions in a grand way! Our customers can rely on our professional service and delivery. It is for good reason they tend to call us 'creators of greatness'.
