

Shark slide

An exciting water attraction!

Everyone is brave enough to swim with this shark. Children will immediately be impressed and simply cannot wait to play on this Shark Slide. This 10-metre pool obstacle course comes with fun play elements that are guaranteed to deliver hours of entertainment for the people visiting your pool. The slide features a cool shark as a spectacular addition. Are you brave enough to face the challenge?

Safe to use

For years, JB has developed and manufactured water attractions that can safely be used by everyone. The water games we offer are certified in accordance with the NEN-EN 15649:2009 safety and quality standards. For this Shark Slide we provide you with an approved inspection certificate, a convenient log book and a clear user manual. In addition, it comes with a Bravo air pressure gauge to ensure the right air pressure is entered. Its anchor points have to be fastened with appropriate anchoring materials to keep the product in place and prevent it from getting too close to other objects. It is the complete package for a wonderful experience.

High quality guaranteed

We are proud of the products we supply, because we can guarantee the best quality. We use high frequency welded PVC material of 900 gr/m² for our slides. Not only are these materials strong and colourfast, they are also resistant to influences of chlorine and other water properties. The obstacle course is durable in use and easy to clean. The Shark Slide comes with a 1-year warranty.

Purchase this 10-metre pool Shark Slide and deliver the experience your customers will remember as a fun-filled day.
