

Light pillar full colour

Full-colour light pillar for optimum impact

Is your customer looking for a way to put their product, business premises or other object in the spotlight? These light pillars from the JB inflatable collection are ideal! We supply these light pillars with an extremely quiet internal blower and adjustable LED lighting (with remote control). We specialise in creating advertising materials, preferably customised to meet your requirements. We can, therefore, supply this pillar in any size and colour imaginable, for instance for use during trade fairs. They can be printed with a text and logo to the customer's taste. Please contact us to discuss the possibilities!

Inflates extremely quickly

The standard version of this full-colour light pillar is standing 2.5 metres tall. Setting it up is easy. When using the clear manual we provide even one person can do it within 10 minutes! It has a silent blower as a standard feature and everything else you need is also conveniently included: a practical transport bag and a remote control used to change the colour of the light.

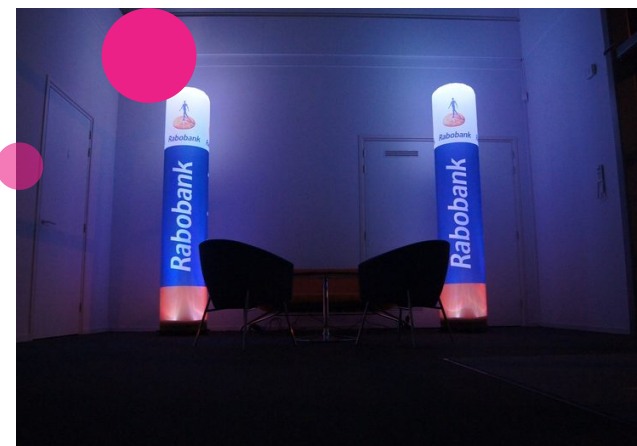

Premium quality with a 2-year warranty

Like you have come to expect from JB, our presentation products have several reinforced tension points, they are multiply stitched and are made of strong, high-quality PVC to make them durable and easy to keep clean. It goes without saying these light pillars come with a 2-year warranty, which allows you to offer a product with years of valued presentation fun.

Purchase these beautiful, stylish and easily inflatable pillars for your customers and guarantee they can present themselves in a unique way.

More than 15,000 customers also opted for JB

For over 15 years, JB has allowed people around the world to present themselves. Our developers, designers and logistic staff supply unique and distinctive inflatable items and you are always assured of our professional service and delivery. It is for good reason people call us 'creators of greatness'!
