

# Airmountain with roof Jungle Bouncy Castle

## Just keep jumping!

An Air Mountain jungle theme edition is just ideal, it can be placed anyway you want. The mountain has a cover on top that is ideal to protect against rain or bright sun! This AirMountain with roof cover can be easily set up anywhere and give kids a day full of fun and joy. The inflatable has enough space to jump and play for everyone, is there more to wish ?

## Including all necessary accessories

You can easily set up the AirMountain within 10 minutes, both indoor and outdoor. We deliver the inflatable as a single unit, making it easy to transport. You get this inflatable from us including blower, anchoring material, transport bag and a clear manual. So you have everything complete for a beautiful experience.

## No less than 5 years warranty

All JB Inflatables are reinforced on several points and stitched multiple times. Of course all products are made of strong, high quality PVC. For that reason they are durable and easy to keep clean. With this product you choose for years of optimal playing fun. Buy this fun Air Mountain with covered roof in jungle theme edition and give your customers an unforgettable day.

## More than 15,000 customers also chose JB

We are proud to say that JB has made people around the world jump for joy well over 15 years now. Our team of designers, developers and logistic staff have already delivered unique inflatable attractions to more than 15,000 customers in a grand way! Our professional service and delivery appeals to our customers. They call us 'creators of greatness'.
